SUBJECT: Paperless Legal Program Full Participation

In Important Notice B# 388-06 DTC indicated its intention to provide participants and transfer agents with a timetable for compliance with the Paperless Legal Program Full Participation or “All In” goal.

The paperless legal program has been very successful and currently stands at 98 percent of legal deposits covered by paperless legal transfer agents with the vast majority of those deposits presented by participants to DTC at the lower cost regular deposit fee. Nearly 50 percent of the remaining activity with non paperless legal transfer agents is represented by only 10 transfer agents. In total, DTC currently receives approximately 40 DAM legal deposits daily for non paperless legal transfer agents. Based on discussions with these agents we expect to be at or near 99 percent compliance by July 2 and near 100 percent compliance by year-end.

DTC, working closely with the Securities Industry and Financial Markets Association (SIFMA), the Securities Transfer Association (STA) and the Shareholder Services Association (SSA) continues to expand transfer agent participation.

In setting the “All In” goal at 100% participation, and with the success of the program among both transfer agents and participants to date, we see the elimination of legal deposits with paperwork in sight.

Therefore, DTC is setting Monday July 2, 2007 for full paperless legal deposit compliance for participants and transfer agents and the following procedures will go into effect at that time.

For non-paperless legal transfer agents, DTC will continue to accept regular deposits but not legal deposits with legal documentation for DAM deposits. Firms that have a legal transfer with a non- paperless legal transfer agent will need to present those shares and accompanying documentation directly to the transfer agent.

Attached for your review is the current listing of those agents that are part of the paperless legal program. Periodically, we will publish an updated listing of these transfer agents.

In addition to the attachment, participants can determine whether a transfer agent is participating in the program either by taking DTC's PLAQSP file or accessing on SMART/Search the "Paperless Agent CUSIP Report" which list individual issues and transfer agents. In addition, deposits covered by a paperless legal transfer agent will have "PLA" imprinted on the DAM Deposit ticket.

Legal Documents

Legal documents covered under the paperless legal program must not accompany legal deposits for paperless legal transfer agents. Firms should detach and retain this paperwork prior to depositing at DTC. This does not include legal deposits with a market value in excess of \$14 million for which **all** transfer agents still require the paperwork.

Copies of previous DTC Important Notices addressing the Paperless Legal program can be found on the DTC corporate website at <http://www.dtcc.com>. Once at the site, look for "Quick Links" on the right hand side and click on "Important Notices." Use the advanced search feature, using "paperless" as the key word.

Questions regarding this notice can be directed to either Bob Petrizzo, Director, Securities Processing at 212-855-2565 / rpetrizzo@dtcc.com or Kirk Matthews, Product Manager for Securities Processing at 212-855-5684 / kmatthews@dtcc.com.
